

OPEN MEETING

Come one - Come All
Thursday October 12

Providence Council invites you to bring a friend or two to our "***Open Meeting***" on Thursday, October 12.

This is your chance to invite your family members, friends, neighbors, co-workers as well as young men & women who may need to earn some "Community Service" hours.

So, join Providence Council for a night of "**Friendship & Fraternalism**" Don't let us be the best kept secret any longer.

Help us to show your friends and families all of the "Service Projects" that Providence Council takes part in, all the volunteer services we provide, all the charitable contributions we make, and all of the fun events we host for our members.

For each new person that you bring to this meeting, you will be entered into a raffle for a \$50.00 restaurant certificate of your choice.

If you have any questions please call Senior Counselor John Lobello 401-942-6248
