

UCT is about YOU. You can make a difference by volunteering in your community. You can make a difference by choosing UCT for your insurance needs. Or, you can do both – the choice is yours!

Insurance We Offer

- Critical Illness
- Dental, Vision & Hearing
- Life Insurance:
 - Term Life
 - Single Premium Whole Life
 - Final Expense
- Medicare Supplement
- Short-Term Convalescent Care

Wondering why you should join our organization? Here are just a few reasons:

Build your resume – Looking for ways to beef up your resume? As a volunteer and council member, you get...

- **Leadership experience as a council officer**
- **Networking opportunities**
- **Bigger social circles**
- **Volunteer experience**
- **Fundraising & event planning experience**

Support charities YOU care about – So you love helping the local animal shelter, or maybe you’ve been in the “Race for a Cure” every year. When you start your own UCT council YOU choose which charities to support – or just support the singular most important charity or cause you are most passionate about – all you need is 9 other people to support that cause and you’ve got a council!

Access a volunteer network of thousands of people across the US and Canada – UCT has nearly 200 councils that have been there and done that. Get connected with other councils and Volunteer Coordinators who have been where you are – and know how to get where you want to go!

Get help from seasoned community outreach managers – UCT is 100% committed to helping our councils make a difference in their

communities. That’s why we have two Community Outreach Managers ready to help in any way they can! Our experts can assist with event planning, ideas, and walk you through the council formation process to make it as EASY as possible to get started supporting the cause you care about!

Join an organization that supports you as you support others – UCT provides a variety of benefits for members as a “thank you” for all the positive ways you impact your local community. UCT Member Benefits include scholarships, disaster assistance, auto & home insurance discounts, rental car, hotel & travel discounts and more.

“Belong” to something. Maybe you were part of a fraternity or sorority in college, or you miss the days of chess club, but we all like the sense of “belonging” to something. Join UCT and belong to a community of nearly 70,000 people who make a difference in their local communities.

So what are you waiting for?
Join UCT Today!
